INFORMATION BROCHURE

Sahakar Maharshi Late Hon. Mugutrao Sahebrao Kakade-Deshmukh

Sahakar Maharshi Late Hon. Mugutrao Sahebrao Kakade-Deshmukh was the founder president of Shri Someshwar Sahakari Sakhar Karkhana Ltd. In the year 1972 he established Shri Someshwar Shikshan Prasarak Mandal (SSSPM) to impart quality education to children of members (Sabhasad) of Shri Someshwar Sahakari Sakhar Karkhana Ltd. Within a span of 25 years SSSPM established 01 English Medium School, 01 Junior Science College and 05 Secondary High Schools. At present SSSPM has a regressive foot print in the rural surroundings of Baramati Taluka. Since 1975 SSSPM has inculcated overall development in establishing educational prospects to higher level.

Padma Vibhushan Hon. Shri. Sharadchandra Pawar

Hon. Shri. Sharadchandra Pawar Saheb guided SSSPM to explore educational field in the economic and financial growth of rural youth. As per his visionary views Shri Someshwar Shikshan Prasarak Mandal established Someshwar Science College (2007), Sharadchandra Pawar Institute of Technology (2010), Sharadchandra Pawar College of Engineering & Technology (2012) and Sharadchandra Pawar Institute of Management and Research (2021). At present more than 7000+ students are pursuing their educational endeavors in various institutes of our Sanstha.

About Shri Someshwar Shikshan Prasarak Mandal

Hon. Shri. Ajit Pawar
Deputy Chief Minister (Maharashtra)

Hon. Shri. Ajit Dada Pawar has been active in advocating to improve the quality of education in our Sanstha. His efforts have focused on making education more inclusive, equitable and accessible to all sections of society in the rural area by enhancing infrastructure. He has been instrumental in minutely monitoring the development of various educational campuses of the Sanstha.

Shri. Purushottam Jagtap
President

You're obviously thinking about knowledge point and you've come to the right place. This place gives you a platform to build your knowledge and to do challenging tasks with the guidance of well-educated faculties. This institute provides you a training platform which will grow your career and transform the learning experience from excellence academic facilities to nurture students as responsible citizens.

Shri. Balasaheb Kamathe
Vice President

Shri Someshwar Shikshan Prasarak Manadal as a Premier teaching institute is our endeavor to encourage students in pursuit of knowledge that brings about complete overall development as an individual. We realize that in today's world, it is vital than ever before that students graduate with education that will prepare them to be learned global citizen. We make every effort to be a learner center educational institution which recognizes that our students are purposeful and driven

Shri. Anandkumar Holkar
Director Representative

We are committed to implement quality assurance mechanism to monitor and evaluate the effectiveness of educational progress. We also assure to encourage rural youth and children' of the Sabhasad to pursue skill development opportunities and support their educational endeavors, ultimately leading to a more skilled and capable work force.

Shri. Bharat Khomane
Secretary

Shri Someshwar Shikshan Prasarak Manadal shares with you the vision of providing the best at high premium quality education. This is manifested not only in our strive for academic excellence and high quality of student life but also providing trust in providing quality future. The college faculty is highly motivated and dedicated team that ensures development that match students requirements to emerge professional trends through continuous innovation.

Prof. Somnath Hajare
Principal

It's a pleasure to mention that since 13 years SSSPM' **Sharadchandra Pawar Institute of Technology** created enviable image among all the diploma institutes in the region. The institute developed infrastructure facility with well equipped laboratories, library and administration facilities. Highly qualified, experienced and devoted faculty members are the pillar of our institute. Our institute has got very good remarks to all departments for external academic monitoring committee appointed by MSBTE Mumbai.

The institute also has Life membership of Indian Society for Technical Education New Delhi. Under ISTE we also developed faculty chapter and student chapter for technical enhancement. As our affiliating body, MSBTE Mumbai implemented New Education Policy (NEP) curriculum from academic year 2023-24 to develop student creativity, critical thinking & problem-solving skills by providing a well-rounded education. More than 2250+ Alumni of our institute are working in various well known Multi National industries & Government sectors. It's my great pleasure that we are transforming the 10th class students into professional engineers within a period of 3 formative years.

Vision & Mission Of SPIOT

Vision

- To empower rural students in technical education for socio-economic development
सामाजिक व आर्थिक विकासासाठी ग्रामिण विद्यार्थ्यांना तांत्रिक शिक्षणात सक्षम करणे.

Mission

- To impart technical knowledge and skills to students for academic excellence.
शैक्षणिक उत्कृष्टतेसाठी विद्यार्थ्यांना तांत्रिक ज्ञान आणि कौशल्ये प्रदान करणे.
- To strengthen academic practices in terms of curriculum, pedagogy, assessment and faculty competence.
अभ्यासक्रम, अध्यापनशास्त्र, मूल्यमापन आणि प्राध्यापकांच्या क्षमतेच्या दृष्टीने शैक्षणिक पध्दती मजबूत करणे.
- To ensure employability and encourage students to become entrepreneur..
रोजगार सुनिश्चित करणे आणि विद्यार्थ्यांना उद्योजक होण्यासाठी प्रोत्साहित करणे.
- To promote students for acquisition of knowledge in higher education
विद्यार्थ्यांना उच्च शिक्षणात ज्ञान संपादन करण्यासाठी प्रोत्साहित देणे.

HODs Desk

Mechanical engineering is a versatile and ever green branch of engineering. Mechanical engineer can work in various specialized areas such as automotive system, airspace engineering, design engineering, dynamic system and control, power plant engineering as well as software field. Mechanical Engineering Department has well qualified and dedicated faculties with well developed laboratories. We impart quality engineering education through sound theoretical knowledge, laboratories as well as computational skill and exposure to recent technologies by visiting industries. We are continuously arranging seminars on current trends related to mechanical engineering along with external specialized speakers. Students are trained in various Industry related software's like AUTOCAD, CREO, etc. to acquire competitive advantage and better job opportunities.

It is a pleasure to lead the department of Computer Engineering. Computer Engineering is one of the latest branch of Engineering in modern era of technology. It is rapidly growing field with a wide range of job opportunities. The computer engineers are highly in demand in IT sector and MNC. The department provides platform for the students to achieve a goal to build a strong career. The objective of our department is to provide advance computer education and motivate the students to understand dynamics of industry and to upgrade their skills accordingly.

Electrical engineering is a field focused on Electricity and Electronics from micro computer components to large Power Networks. Our Electrical Department has well equipped laboratories to improve technical Skill. Our department regularly arranges industrial visits and expert lectures of industrial persons and Industrial trainings for students. Likewise our Electrical Department has also arranged many student oriented programs such as lectures on Personality development, Entrepreneurship development etc. Our students of department not only Excellent in academics but also in IEDSSA sport event as well.

Civil engineering is the oldest and broadest engineering discipline. It involves planning, designing, constructing, maintaining and supervising infrastructures like highways, bridges and tunnels, schools, hospitals, airports and other buildings, water resource, structure, irrigation, sewage systems and water treatment facilities and so on. There are various career options available after diploma in civil engineering in which higher studies are one of those. It is a good career option for diploma in civil discipline as it enhances your credibility as a civil engineer. There is also Government job option for diploma civil students. Nowadays union and state government requires minimum eligibility of diploma in civil discipline.
